

Mr Powell you are selling us out.
Regarding Docket No. 02-277, The Biennial Review of the FCC's broadcastmedia ownership rules. Mr. Powell the air waves belong to the people.
Who's back pocket are you in? It will be interesting to see who you are working for after you depart your current position. It will no doubt be the same people you are working for now. The big media conglomerates. Keep your corrupt paws off of the media regulations. We already know that you only have your job because of who your dad is. There is alot of that going around lately. Why don't you prove me wrong and do the right thing. KEEP THE CURRENT REGULATIONS ON MEDIA OWNERSHIP IN PLACE!!!

Thank you,

Timothy R. Goode
